LTESolutions SELF-DECLARATION PPWR (UE) 2025/40

Date	Customer	Version	Rev
31/07/2026		2026-01	0

Regulation (EU) 2025/40 of the European Parliament and of the Council of 19 December 2024 on packaging and packaging waste, amending Regulation (EU) 2019/1020 and Directive (EU) 2019/904, and repealing Directive 94/62/EC

LTE Solutions S.r.l., based on the technical documentation, declarations, and information received from its packaging suppliers, hereby communicates the following with regard to the packaging used for the supply of its products:

- The combined concentration of lead, cadmium, mercury, and hexavalent chromium in the relevant materials and components does not exceed the overall limit of 100 mg/kg stipulated by the applicable legislation, except where exemptions may apply;
- No PFAS or persistent organic pollutants (POPs) have been identified as intentionally added to the packaging materials supplied;
- According to the documentation received from its suppliers, there is no evidence of the intentional use of prohibited substances or substances subject to restrictions that are incompatible with the intended use of the packaging;
- No substances of very high concern (SVHCs) included in the REACH Candidate List are present at concentrations exceeding 0.1% w/w (weight by weight) in any individual relevant material or component.

The information set out above does not represent an analytical warranty regarding the complete absence of impurities or unintended trace substances. It is based on information and documentation obtained from our suppliers and is subject to the conditions, limitations, exclusions, and any revisions or updates specified in the suppliers' original documentation.

LTE Solutions S.r.l. maintains on file the declarations, technical specifications, and supporting documentation received from its packaging suppliers, in accordance with its internal procedures and within the framework of compliance management activities related to Regulation (EU) 2025/40. This self-declaration provides a summary exclusively of the relevant information and does not disclose confidential business information, product formulations, data concerning other products, or any other content not required to substantiate the declared compliance requirements.

This declaration does not constitute an EU Declaration of Conformity within the meaning of Articles 38 and 39 of Regulation (EU) 2025/40, nor does it certify compliance with any requirements other than those expressly stated above.

We will inform you promptly in the event of changes.
